Fellowship (FIPPA) Guidelines and Information

Fellowship is the highest level of qualification within the IPPA. A candidate for Fellowship must show that he/she has achieved an extremely high standard of technical expertise, with the creative element of the work being of major importance indicating individuality and flair.

A candidate for Fellowship must hold Associateship of the IPPA for at least two years.

Judging of Fellowship submissions is by IPPA Fellows.

A submission for Fellowship must consist of 20 prints mounted on 3 or 5mm foam board or Foamex in a single discipline or on a single theme.

The candidate is encouraged to submit written evidence to support their panel.

PLEASE NOTE:

A candidate must submit a CD with their Fellowship panel application together with their 20 prints and contact sheet showing how the panel is to be displayed.

The cost of submission is €100 payable in advance by cheque or credit/debit card. An application form which can be downloaded at <http://www.irishphotographers.com/about.php?section=forms> must accompany submission.
